Founded in 1986, the Lower Lakes Marine Historical Society is a not-for-profit, tax exempt Section 501(c)(3) organization chartered by the New York State Education Department for the purpose of preserving the maritime history of the Port of Buffalo, New York, and the surrounding waterways.

Membership in the Lower Lakes Marine Historical Society (LLMHS) is open to anyone who is interested in supporting the mission and goals of this not-for-profit organization.

Our members come from many walks of life all with a common interest in Buffalo's great maritime history. Your membership helps support the museum in its efforts to preserve this heritage for the benefit, education, and enlightenment of future generations.

Members receive our museum's bi-monthly newsletter (six times a year) with the latest news about happenings on our waterfront and articles on our local marine history. Members also receive special discounts on purchases from the museum's Gift Store and copy services.

Your membership dues also help make a significant contribution to the financial support of the museum. Membership in the LLMHS is a tangible demonstration of Buffalo's support for preserving our shared maritime history.
